

Barnik Invest Expands Life Science Partnership Network to North America

SOLNA, STOCKHOLM REGION, SWEDEN — November 28, 2025 — Barnik Invest is pleased to announce the expansion of its business development operations into North America by assigning Soroosh Ghahremani as Business Development Consultant in Toronto, Canada. Soroosh brings years of sales and marketing experience and will be responsible for out-reach to North American VCs and family offices. This expansion marks a natural progression in the firm's mission to connect innovative Nordic Life Science companies with the investment landscape and strategic partnership opportunities available across the North American market.

Through this assignment, Barnik Invest aims to create a dedicated bridge for the exchange of innovation and capital. This initiative is designed to introduce cutting-edge technologies to accredited investors and partners, fostering a professional ecosystem where Nordic innovation meets North American strategic investment.
